

Assignment 2 – COMP3050 Course Summary

- Due date:
 - 2:45pm, May 9th (Saturday) - Date of the Final Exam
 - Hand in at the Examination Venue
- Assignment:
 - Compile a summary for the course comp3050
- Requirements:
 - A4 size paper (Two sheets, that is 4 pages)
 - Hand-written! And No photo copy!!
 - Coverage: Refer to the course's web-page at:
<http://www.comp.hkbu.edu.hk/~comp3050>
 - It should be a summary summarizing what we have gone through for the semester.
 - This summary will serve as a quick review on distributed systems and a perfect cue card/note before a job interview that is related to distributed computing.
 - I will look at the organization of the summary as well as some intelligent ways for reminding what you have learnt in the course.
